Trainings

Inspections

Testing

Additional Services

**We're
Here to Help**

TST BOCES Work Environment Health & Safety staff provide comprehensive health, safety and risk management consultative services and regulatory compliance assistance programs and services that are cost-effective. These quality services are made possible through the collaborative efforts of the following school districts: Candor, Dryden, George Junior Republic, Groton, Ithaca, Lansing, Newark Valley, Newfield, South Seneca and Trumansburg.
