

## Instructional Planning Council – November 8<sup>th</sup>, 2016

*The Instructional Planning Council is made up of Curriculum and Instruction leaders/specialists from all component districts, representatives from local Institutions of Higher Education and Teacher Center(s), as well as members of the TST BOCES School Improvement Services Team. Each year the Instructional Planning Council creates a set of TST BOCES Regional Priorities that are student centered, systemic and data informed. The council meets monthly to promote both organizational learning and teacher learning that leads to positive measurable outcomes for students.*

### Essential Questions:

- How will we promote both organizational learning and teacher learning?
- How will we document connections between our work and measurable outcomes for students?

### Learning Targets: I can...

- Explain the 7 core principles grounding the Blueprint for Improved Results for Students with Disabilities.
- Explain why it is important for our district/organization to operationalize the Blueprint for Improved Results for Students with Disabilities.
- Begin identifying areas of strength and areas of strategy for our district/organization, in terms of operationalizing the Blueprint for Improved Results for Students with Disabilities.
- Help identify key educational leaders in my district/organization that will be essential to helping us effectively operationalize the Blueprint for Improved Results for Students with Disabilities.
- Make connections between what educational leaders throughout the region indicate are significant efforts they and their organizations are making to promote both organizational learning and teacher learning that leads to positive measurable outcomes for students and the work that my district/organization is doing to promote the same.
