

Instructional Planning Council – March 8th, 2016

The Instructional Planning Council is made up of representatives from all component districts as well as TST BOCES. Each year the Instructional Planning Council creates a set of regional priorities that are student centered, systemic and data-informed. The council meets monthly to promote both organizational learning and teacher learning that leads to positive measurable outcomes for students.

Essential Questions:

- How will we promote both organizational learning and teacher learning?
- How will our work lead to positive outcomes for students?

Learning Targets: *I will be able to...*

- Make connections between the efforts that my school/organization is making to increase success rates for all students and the related efforts of other educational leaders, schools, and organizations throughout the region.
- Deepen my understanding of what it means to *Create a Culture for Learning*.
- Explain how the TST BOCES School Improvement Services Team leads and supports school districts in their efforts to provide the best possible learning environment for all students.
- Use my expertise and input to help shape the processes and content of IPC meetings.
