

AP/Dean of Students Council – 11/1/16

“A complex art if ever there was one, building relationships is the foundational skill. Without trust, no amount of content knowledge, pedagogical know-how, or formative assessment is likely to move students to want to learn from you” (Scherer, M. 2016).

Essential Questions:

- How do we effectively lead our schools in creating the best possible learning environment for all students?

Learning Targets: I will be able to...

- Engage in collegial conversation and network with my peers.
- Identify hopes and dreams for the current school year.
- Help generate the goals and purpose of the AP/Dean Council
- Learn about School Improvement Services initiatives and our continuing work for 2016 – 2017.
- Identify connections between the work we are doing in my building and supports available through TST School Improvement Services.
