

AP/Dean of Students Council – 2/7/17

“We are aiming for schools in which there are no persistent patterns of differences in academic success or treatment among students grouped by race, ethnicity, culture, neighborhood, income of parents, or home language. In other words, we are aiming to foster schools that literally serve each and every student well” (Scheurich & Skrla, 2003).

Essential Questions:

- How do we effectively lead our schools in creating the best possible learning environment for all students?

Learning Targets: I will be able to...

- Engage in collegial conversation and network with my peers.
- Identify connections between the work we are doing in my building and supports available through TST School Improvement Services.
- Make connections between the work I am doing in my building and research regarding how to get people to effectively carry out a policy or initiative.
