

Philosophy, Principles, and Organization of Athletics in Education

TST BOCES Adult Education is offering an in-service program for coaches in K-12 sports programs. Three courses are required by the NYS Education Department for non-certified physical education teachers and coaches: 1.) Health Sciences Applied to Coaching, 2.) Philosophy, Principles, and Organization of Athletics in Education and 3.) Theory and Techniques of Coaching. TST BOCES will be offering these classes over a two year cycle.

Philosophy, Principles, and Organization of Athletics in Education Class

What is the role of athletics in education?

This class covers the history, philosophy, and principles of athletics as integral parts of physical and general education. The role of the coach as a leader will be stressed. The class also covers the function and organization of leagues and associations in New York State and general principles of budgeting, record keeping, purchasing, and facility management.
