

High School Principals Council – 1/5/17

“Successful implementation depends upon developing and maintaining both the **will** and the **capacity** of the intermediaries. The individuals and agencies who must cooperate to implement a policy must have reasons for doing so... and the ability to do what the policy requires” (Fowler, F. 2000).

Essential Questions:

- How do we effectively lead our schools in creating the best possible learning environment for all students?

Learning Targets: *I will be able to...*

- Engage in collegial conversation and network with their peers.
- Explain the *annual point in time count* to guidance folks and other key personnel in my office/district.
- Identify opportunities from both the community and TST that will support my leadership efforts.
