

High School Principals Council – 2.2.17

“We are aiming for schools in which there are no persistent patterns of differences in academic success or treatment among students grouped by race, ethnicity, culture, neighborhood, income of parents, or home language. In other words, we are aiming to foster schools that literally serve each and every student well” (Scheurich & Skrla, 2003).

Essential Questions:

- How do we effectively lead our schools in creating the best possible learning environment for all students?

Learning Targets: *I will be able to...*
